**How many
volunteers
should we
have?**

Your volunteers will be working as greeters and fun coordinators. The number to bring depends on how many tickets you sell.

**Is there an age
requirement
for volunteers?**

Volunteers must be at least 18 years old. All ages are welcome to attend as guests; however, all guests under 16 years old must be accompanied by an adult.

**When can we
host an
event?**

All fundraisers take place from 6-8 p.m. on Thursday nights.

**How many
tickets can
we sell?**

The maximum number of tickets sold for any night is 300.

**How do we
provide Lazer
Zone with
their portion
of the
redeemed
tickets?**

Please bring a blank check, cash or credit card with you to the event. At approximately 8 p.m., your group contact and Lazer Zone's manager will tally up the total number of redeemed tickets. Then, your group contact will provide \$5 per redeemed ticket to Lazer Zone.
